

NORTHWOOD UNIVERSITY & REHMANN PRESENT

PLANNING *for* GENERATIONS

Preserving the family business through proper business succession planning

Friday, March 20, 2015

10:30 Welcome

11:00 Presentation

12:00 Lunch

Space is limited

THE FAMILY BUSINESS INSTITUTE reports that only about 30% of family and businesses survive into the second generation, 12% are still viable into the third generation, and only about 3% of all family businesses operate into the fourth generation or beyond.

- Experts from Rehmann will provide valuable business succession planning information that all family owned or closely held businesses will find beneficial.
- This is an educational event, there is no cost to attend. However, we do ask that you RSVP as seated will be limited to just 60 guests.
